**Re: 16th Section Leases
Our File No. 2297.83050**

Dear Chris:

Consistent with our telephone conversation of yesterday's date, I am hand delivering to you with this letter, a check from the Mayor and City Council as Successors in Interest to the Trustees of Franklin Academy, payable to the Columbus Municipal School District, in the amount of \$2,532.01. Although I am completely convinced that the 16th Section Lease payments have always been paid in advance, and also that there is a right of redemption the same as there is for delinquent ad valorem taxes (See e.g. Laws of Mississippi of 1914, Chapter 462), an anonymous donor in the City has remitted payment for each and every one of the 1,412 Sixteenth Section leases. The attached check is for advance payment for the August 1, 2019 renewals, even though it is my opinion that they have already been collected and paid. Thus, while this is a duplicate payment, this should eliminate any question about whether all the lessees made their 2019 renewal payment in advance.

Additionally, for your information, the Mayor and City Council has on its agenda for the August 6 meeting, to ratify the acceptance of this donation and to further ratify this payment to the District of the same amount. Also to be on the agenda is my request that the Mayor and City Council instruct Greg Andrews, the City/County Assessor Collector, to notate on the annual ad valorem tax bills for all lessees of 16th Section land, that the 16th Section amount due at the end of 2019 is for the August 1, 2020 renewal and that it be shown on each successive year-end tax bill thereafter that is for the next following August. Following this process, there should never be any question that the annual lease payments are made in advance as compared to ad valorem taxes, which are collected in arrears.

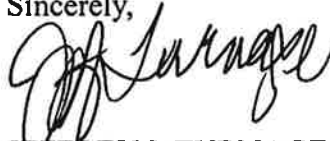

I would appreciate if you would see that this letter and check is delivered to the Municipal School District before the August 1 renewal date so that it may be deposited. If you

Chris Hemphill

have any difficulty in ensuring that this check is accepted by the District before the August 1 renewal date, I trust that you will notify me immediately.

Also, for the convenience of the District, attached is a list of each and every 16th Section parcel, with PPIN, Section and lessee name together with the individual annual lease amounts. This check is for payment for each PPIN number and section for the August 1, 2019 renewal. To the extent the record owner has changed since this list was printed in 2018, it should be applied toward the parcel set forth as PPIN on the attached list. I would appreciate your letting me know if you have any questions about this donation.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Turnage", written over a horizontal line.
